## The Old Station on the A170

Grace Lane Vets intends to move from Halfway Barn, Huton-le-Hole, to New Road, Kirkbymoorside, after acquiring the

prominent site from Tesco earlier this year.

With increased demand the practice has begun to outgrow its current premises and will be constructing a new, state of the art, purpose built clinic opening in spring 2019. This will allow the practice to continue to grow and provide an even higher level of service and improved facilities for small and large animal clients in Ryedale and the surrounding areas.

## The changing face of Rotary

Although polio has not been seen in this country for many years, it is vital that Rotary continue its efforts to eliminate the disease worldwide in order that it can never return. Rotary clubs in Great Britain & Ireland have so far donated over £20 million to End Polio Now. The eradication of polio when completed will be one of the most significant achievements in public health since the end of smallpox.

Helmsley & District Rotary has happily met in Helmsley and Kirkbymoorside since it was formed in 2005. It even had a spell in Wombledon. Now meetings take place in the library at Kirkbymoorside on Monday evenings and things are changing.

One is the weekly formal meeting which featured a speaker and a cooked meal. In its place is an informal event with a buffet, although occasionally a social with a meal is enjoyed at a local pub.

Anyone can attend a meeting. Anyone can be a member and that includes you. All that's needed is an eagerness to serve your local community. You may also wish to use your enthusiasm to help with a number of international causes we support.

Members of Helmsley Rotary are rarely seen with a collection tin, although they will pitch in if there's a pressing need, such as an international disaster. Where Rotarians will be seen is helping the local 10k running races both at Helmsley and Kirkbymoorside, handing water to the competitors. They also help at a Ryedale Special Families horse event at Duncombe Park, Helmsley and at the Christmas Fair at Kirkbymoorside where they run the cafe and a tombola stall. Let us know if you could volunteer for any of these events.

## Raising funds for Kirkbymoorside library

At 9 am on Sunday April 1st while most of us were enjoying our Easter Sunday breakfast Geoff Strangwood a Kirkbymoorside Library volunteer set off in the wind and rain on a sponsored cycle ride to all six local libraries. His aim was to raise funds for Kirkbymoorside Library and celebrate the success of its first year as a volunteer run Community Library. Pam and Eileen two volunteers from Pickering joined Geoff on his ride.

Despite a puncture on the road between Helmsley and Malton Geoff was soon on his way again and after a 60 mile round trip was riding up the Market Place to the Library at 5.54pm.

Setting off, on the ride to the six local libraries, left to right, Pam, Eileen and Geoff.

So far Geoff has raised a fantastic £800! If you would like to add to that total, donations can be made at the Library or online

at [www.justgiving.com](http://www.justgiving.com) by typing Sutt Cade into the search box.

## Kirkbymoorside Library Needs Friends!

Friends who can volunteer  
Friends who can fundraise  
Friends who will join our Friends scheme.  
It costs £61 per day to keep the Library open. We need to fundraise to meet these costs. Please show your support for this community project by becoming a Friend of the Library and help us continue, develop and improve our services.

By pledging £10 annually you can become a Friend. Please pick up a leaflet at the Library or email [admin@kirkbylibrary.org.uk](mailto:admin@kirkbylibrary.org.uk)

## A date for your diary!

The event that MUST Not be missed! Kirby In Bloom's increasingly popular Open Gardens event will be taking place on Sunday, 10th June, 2018, 11.00.a.m until 5.00p.m. with entry remaining at the fantastic value of £5.00 per adult.

This year we are teaming up with galleries in the town to make this even more of a treat for the senses! Cream teas are included and a plant stall will be up and running again after receiving so many positive comments last year.

We really want to give some of our open garden stalwarts a well-deserved breather this year, so we do need some more volunteers to become involved. First and foremost, we would love to share some more gardens. No-one is looking for perfection, neither does your garden have to be large, indeed the small, tucked away plots are often the most intriguing. If you have plants to spare we would be delighted to find new homes for them from our plant stall and our cream tea stop in the Quaker Garden would welcome some helping hands. This event, together with the sponsorship we enjoy from so many of our town businesses, ensures that we can continue making Kirkbymoorside as attractive as possible for everyone's benefit. If you feel you could contribute in any way please do get in touch with us via Gaynor 01751 430250; you will be most welcome!

## Kirkbymoorside Repair Café

At last the 'throw-away society' seems to be crumbling and people are ready to do something about wastefulness. Often the first question is 'What can I do to make a difference?' When an item is broken, or a piece of clothing is torn or worn, the first instinct has been to throw it out and buy a new one. The idea of Repair Cafés originated in Amsterdam. The first one in Kirkbymoorside was in September 2017, and volunteers mended, or offered advice on, a variety of articles including: skirt, hedge-clippers, LED lamp, shirt, lamp, ghetto-blasters, trowel, trousers, watch strap, dress, 2 radios, 2 laptops, handbag, electric drill, cassette player, speaker, and portable charger. Since then there have been three more Repair Cafés. The Café element is provided by home-made refreshments for those waiting their turn, or who just want to relax and chat.

**The next Repair Café will be held at the Moorside Room on Saturday May 12th 2018 from 9.30 – 12.30. Bring along your broken or damaged items and the volunteers will see what they can do. To join our team of repairers please contact June Emerson: 01751 430907 or email: kmegadmin@phonecoop.coop.**

## David Shaw

David is a self-taught artist who studied zoology and became a teacher, spending several years as the Education Officer at Blackpool Zoo. After retirement from mainstream teaching he continues to work as a tutor sharing his time with his passion for art and illustration. David's inspiration comes from nature. He works principally in graphite pencil, water colour pencils and pastels. Pencil allows him to employ a highly detailed technique while pastels act as a counter balance requiring a looser interpretation.

## Maggie Roberts

Maggie studied Theatre Design (Costumes and Stage Design) at Wimbledon School of Art and has always enjoyed drawing and painting and working with fabric. She is excited and inspired by the natural world, its colour and pattern. For this exhibition Maggie has used a variety of fabric for her collage and hand embroideries which seem to evolve as she works. She also uses fabric as a base for her batik pictures which are made using wax and dyes. Maggie officially retired some time ago after working with severely physically disabled people where she devised a vast range of creative projects. She is still spending her time in many different artistic endeavours using diverse media.

Commissions are welcome by both artists.

# Kirkbymoorside Town Council

The full Council meets on the third Monday of each month except for August. Meetings are open to the public, start at 7.30pm and are held in Church House, High Market Place, Kirkbymoorside. Agendas are displayed in the Library, on the Town Council notice board and can be viewed via the website (see address below).

### Community Award

You may be aware that the council makes an annual award to a Kirkbymoorside citizen who has made an outstanding contribution to the community. It is with great pleasure that I can confirm that this year all the volunteer firefighters have been chosen to receive the Community Award.

Everyone is invited to attend the Annual Town Meeting at 7pm on Tuesday 8th May 2018 in the Moorside Room, 9 Church Street, Kirkbymoorside for the presentation of the award. Other items on the agenda will include the Mayor's Report, and an opportunity for local charities and voluntary organisations to report on their activities over the last 12 months and detail forthcoming events or initiatives.

### Grant Funding available to Kirkbymoorside

There remains £4,787 of S106 monies available to Kirkbymoorside community based organisations or groups for projects that provide or improve Public Open Space and Recreation facilities in line with the relevant S106 Agreements. Applications will be considered by Ryedale District Council Members at three meetings in 2018/19. Closing dates for applications are 14 May 2018 for a decision on 22 July 2018, 7 September for a decision on 15 November 2018 and 4 January 2019 for a decision on 14 March 2019. How to apply: Applicants are required to submit an application online via the Ryedale District Council website where guidance notes for each type of grant and full details including closing dates are available. [www.ryedale.gov.uk/living-here/community-living/community-grants](http://www.ryedale.gov.uk/living-here/community-living/community-grants)

### Don't be a Waster – Reduce, Reuse Respect

The Town Council supports the Don't be a Waster campaign, lead by Ryedale District Council, focussing on litter in the district. The campaign is now focussing on the issue of dog fouling. This is a community initiative to focus attention on the issue, how to report it and how we can work together to tackle it. There are three ways to get involved: Green Dog Walker Scheme Join the Green Dog Walkers Scheme. Dog owners are encouraged to be village and town wardens and join the campaign by attaching a bright green ribbon to their dog lead. This identifies them as a dog walker with spare poo bags – and they'll also report any dog walkers who don't pick up after their dog to Kirkbymoorside's Community Officer, Jane Kitching at Ryedale District Council Tel: 01653 600666 Ext: 353

This campaign has proved popular in other parts of North Yorkshire, in part because many dog walkers like to be positively identified as being responsible and as someone who always picks up after their pet. There are also new bin stickers that have been added to existing bins reminding dog owners that bagged poo can go in regular waste bins as well as the dedicated dog poo bins. If there is an area near to you where fouling is an issue please contact the Town Clerk on 01751 432217 and you will be provided with Glow in the dark stickers! **Great Plastic Pick-Up** Kirkbymoorside is joining the Great Plastic Pick-Up between Friday 11 May and Sunday 13 May. Keep an eye out for notices with more details nearer the time.
